Voting Rules

A vote is allocated to each member as follows:

- One vote per board member.
- A member is considered as a Staff and/or Player, who has been named on an approved OSHA roster during the 2023/2024 season.
- An adult member is considered 18 years or older, and a youth member under the age of 18. The guardian of the youth member is allotted the vote, and the guardian receives one vote per each youth member.
- One vote per member, even if they have been named on multiple rosters. (EG. A bench staff who is on more than one roster, either as bench staff or player still only gets one vote.)
- Staff who are guardians will get a vote as a staff member and one vote for the rostered player under the age of 18.
