

OSHAWA GIRLS HOCKEY ASSOCIATION

SINCE 1995

Apparel

2024-2025 Competitive Season

We appreciate your patience and support as we bring our new selection of apparel and equipment online.

You will notice several changes to our required apparel packages. These changes were made in response to feedback from players and their families.

Changes are:

U13 players will now purchase the warm-up/tracksuit package. The previous selection was only available in ladies' sizes, making it inaccessible for many players in this division.

U15 and U18 may choose to wear game day 'fits to arrive to games. However, they will still be required to purchase the required apparel package for use during warm-ups and for leaving the arena.

Once again, thank you for your support and patience!

If you have questions about apparel and equipment, please contact the Equipment Director at stokes.sarahann@gmail.com.

OSHAWA GIRLS HOCKEY ASSOCIATION

SINCE 1995

Apparel

2024-2025 Competitive Season

U15 and U18

- All players (new and returning) must buy new warmup apparel**

Includes UA warmup pants, 1/4 zip top, and shirt new to the association this year

- All goalies have the option of purchasing equipment bags and pant shells**

Due to size, goalies are not required to purchase the hockey equipment bag, and pant shells from the association. They may use their own bag (e.g., one with wheels). Black or navy blue bags are preferred. **The association does have a goalie bag for purchase.**

- Previous season's game jerseys and pant shells are the same as this season's**

No need to buy new for this season if they're in good repair and fit well

- Previous season's apparel may be worn to non-game events**

Hoodies and old warmup apparel can be worn during other times, like practices, or tournament downtime

Fitting and Ordering

Two competitive Fitting Days are scheduled:

May 21 5 p.m. - 8:30 p.m.

May 26 11:30 a.m. - 3:30 p.m.

Campus Ice Centre Multipurpose Room

All apparel will be purchased by the player via online store. 100% due upon ordering.

Game and practice on-ice uniform (jerseys, socks, pant shells) will be organized by Team Managers and sent as a bulk order through the association, with 50% due upon ordering.

Equipment

2024-2025 Competitive Season

Safety

Protective equipment should be regularly inspected to ensure accurate, comfortable fit and good repair. The association also encourages the use of properly fitted mouth guards to reduce the severity of concussions on the ice.

Equipment Supply and Fitting

The association has entered into a partnership with Just Hockey Inc. to provide equipment fitting and purchasing. We encourage you to contact Jim Townsend, info@justhockeytoronto.com, for custom skate and equipment fittings, including those for goalies. Just Hockey Inc. also provides the CCM FTW (For The Women) line, which has equipment designed especially for women in the game. <https://www.justhockeytoronto.com/>

Bluenose Cresting, located in Delpark Centre Arena 1, is our trusted partner for skate sharpening and sponsor bars. We encourage you to take a look at their discount packages, including skate sharpening packages. <https://www.bncresting.com/>

Equipment Purchases for Teams

Teams are encouraged to contact the Director of Equipment for *any* team equipment purchases, including pucks, water bottles, etc., to ensure we receive the best prices and potential volume discounts.

Equipment

2024-2025 Competitive Season

Helmets and Gloves

Players in U11 or higher must have navy blue helmets. Players in U9 may have black or navy blue helmets. Players are encouraged to use navy blue or navy-and-red gloves.

Apparel Purchases for Staff

Bench staff only will receive reimbursement of any gameday apparel purchases for their own use (not their players), up to a team maximum of \$750. Receipts must be sent to the association treasurer for reimbursement.

Game Day 'Fits

Players in U15 and higher may wish to wear semi-formal/business attire (game day 'fits) when arriving at games. Teams are welcome to make this decision, but attire choices (e.g. association uniform *or* game day 'fits) must be consistent among all players in the team.

Note that if a team chooses to wear game day 'fits to arrive to games, they must purchase *and wear* the required off-ice uniforms for use during warm-up and leaving games.
